

**Petition of Revel Entertainment Group, LLC d/b/a  
Revel Requesting Temporary Amendment of Its  
Casino Hotel Alcoholic Beverage License  
(Event at Bask)**

By its Petition (PRN 2931201) to the Division of Gaming Enforcement (“Division”), Revel Entertainment Group, LLC d/b/a Revel (“Revel”) requests a temporary amendment to its Casino Hotel Alcoholic Beverage (“CHAB”) license to authorize a Type II (hotel) authorization for its spa, known as Bask, within Revel for an event for invited guests on October 23, 2012, from 5:00 p.m. until 8:00 p.m.

Bask comprises an area within Revel's casino hotel facility as depicted in an architectural drawing submitted as part of the Petition. Revel intends to serve guests alcoholic beverages within Bask from a bar location depicted on the drawing and, consequently, seeks Type II authorization for that area.

The Division has inspected the proposed outlet and found the aforementioned area in compliance with the Division's regulations for the service of alcoholic beverages.

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, I hereby ORDER that the Petition be granted and the CHAB license of Revel be temporarily amended to include Bask as a Type II outlet subject to the following conditions:

1. Bask is authorized as a Type II outlet on October 23, 2012 from 5:00 p.m. until 8:00 p.m.

2. Alcoholic beverages provided to patrons within Bask, by the glass or other open receptacle, are for consumption on the premises of Revel only.
3. Revel will maintain procedures to insure that sales of alcoholic beverages to guests at Bask will be only to those individuals who are 21 years of age or older and that such beverages are not sold to individuals who are actually or apparently intoxicated.
4. While conducting the service of alcoholic beverages within Bask, Revel will comply with all requirements attendant to Type II CHAB authorization, pursuant to *N.J.S.A. 5:12-103g(2)*, and with all applicable alcoholic beverage laws and regulations of the Division and, as deemed applicable, the Division of Alcoholic Beverage Control.
5. Revel is to obtain all necessary approvals from other governmental agencies prior to commencing operation of Bask as a Type II location.
